Questions 147-148 refer to the following Web page.

The screenshot shows a web browser window with the address bar containing <http://www.moonglowairways.com.au>. The main content area displays a "Special Announcement by Geoff Clifford, President of Moon Glow Airways". The text of the announcement reads: "As many of you are aware, there was a problem with Pelman Technology, the system that handles our airline reservations. This outage has affected several airlines. It's been a rough week, but the good news is that it has been repaired, and we are re-setting our system. However, Moon Glow passengers may still face delays for a day or two. This most likely will include longer lines at airports. We have added more on-site customer service representatives at airports in all of our destination cities to assist customers with their flights and information. We appreciate your understanding and patience."

Questions 151-152 refer to the following report.

February 1

SOFTWARE TESTING REPORT

Version of Software Program: Konserted 2.5
Testing Dates: January 10–12
Number of Participants: 8

Software Testing Overview: Participants were asked to complete a series of tasks testing the functionality of the revised Konserted interface. In task number 1, participants searched for a concert in a designated area. In task number 2, participants searched for new friends on the site. In task number 3, participants invited friends to a concert. In task number 4, participants posted concert reviews, photos, and videos.

Initial Findings: Task number 3 proved the most challenging, with three participants unable to complete it in under two minutes. A potential cause for this difficulty may be the choice of icons in the menu bar. Clearer, more intuitive icons could make this task easier to complete for participants.

151. What is true about the software testing?

- (A) It included multiple versions of Konserted.
- (B) It was done over several days.
- (C) It required participants to complete a survey.
- (D) It took place at a series of concerts.

152. What action was difficult for users to complete?

- (A) Searching for an event
- (B) Searching for friends
- (C) Inviting friends to a performance
- (D) Posting reviews to a Web site

Questions 153-155 refer to the following e-mail.

E-mail	
To:	catiyeh@mymailroom.au
From:	achen@mutamark.au
Date:	1 July
Subject:	Mutamark conference

Dear Ms. Atiyeh,

To follow up on our phone conversation earlier today, I would like to extend to you a formal written invitation to speak at the eighth annual Mutamark conference, scheduled to take place this year from 17 to 20 September in Zagros. Because you drew a sizeable crowd when you appeared at the conference in the past, we will be making special arrangements for your visit this time. The Blue Room at the Debeljak Hotel holds only 120, so this year we are also booking the Koros Hall, which has a capacity of 270. We can offer you a 40-to-50-minute slot on the last day of the conference, when attendance should be at its peak. Please e-mail me to confirm your acceptance and to let me know more about your audiovisual requirements. We can provide overhead projection for still images if you will be using them again.

Very best regards,

Alex Chen, Conference Planning
Mutamark Headquarters, Melbourne
